

Viburnum Trend Lead Haul Roads
Operable Unit 2-St. Joe Minerals Corp Viburnum
Administrative Record
Viburnum, Missouri

Introduction and Index

This index of documents for the Removal Administrative Record #66263 lists documents considered by the United States Environmental Protection Agency with respect to response actions at the Viburnum Trend Lead Haul Roads.

All documents included in EPA's *Compendium of CERCLA Response Selection Guidance Documents*, OSWER 9833.4, as revised, are hereby included in the Administrative Record by reference. All previous Administrative Records for this matter are incorporated in this Administrative Record by reference.

EPA has assessed the ability of the local public to access this Administrative Record through an internet-based repository and has determined that the local community has this ability. As a result, EPA is making the administrative record for this site available for public review through the following internet site: <https://www.epa.gov/superfund/vtlhrou2>

The Administrative Record is also available for public review at:

The United States Environmental Protection Agency
Region 7 Record Center
11201 Renner Blvd.
Lenexa, KS 66219

Note: This Administrative Record has been updated due to advances in technology. Blank pages have been removed, map and photo quality improved and whenever possible slip sheets have been removed and the actual document has been inserted.

Date: 3/18/2020
